SIGNIFICANT ARCHITECTURAL WORK APPLICATION FOR ASEAN ARCHITECT REGISTRATION

Receipt No. : ........................................................................................................

Name of Architect (As in Passport) : ........................................................................................................

Name Title (if any) : ........................................................................................................
(eg. Mr., Mrs, Ms., Ar., Dr., etc)

Architect Registration No. : ........................................................................

Architect Registration Date (DD/MM/YY) : ........../........../.....................

Qualification : ........................................................................................................

Date of Birth (DD/MM/YY) : ........../........../.....................

Mailing Address : ........................................................................................................

........................................................................................................

Postcode : .................................................................

Country : BRUNEI DARUSSALAM

Present Company/Work Place Name : ........................................................................................................

........................................................................................................

Company/Work Place Address : ........................................................................................................

........................................................................................................

Postcode : .................................................................

Country : BRUNEI DARUSSALAM

I wish to be placed on the ASEAN Architect Register (AAR) and apply as described below in accordance with the provision that defines two years’ experience in responsible charge of significant architectural works.
1. Significant Architectural Work Experience (describe in retrospective order, beginning with the most recent one.)

<table>
<thead>
<tr>
<th>Work No.</th>
<th>Starting Date/Ending Date (months)</th>
<th>Name of Organisations/Position/Title</th>
<th>Name of Work</th>
<th>Signature</th>
<th>Relationship of Attestant to Applicant</th>
<th>Tel/Fax</th>
</tr>
</thead>
<tbody>
<tr>
<td></td>
<td></td>
<td></td>
<td></td>
<td></td>
<td></td>
<td></td>
</tr>
</tbody>
</table>

Note: The attestant above shall be, in principle, the representative of the organisation under which the applicant executed his architectural work.

2. Detailed Description of Significant Architectural Work (Describe, in detail, each work listed in the preceding page.)

<table>
<thead>
<tr>
<th>Work No.</th>
<th>Position in Architectural Work</th>
<th>Contents of Work (Describe the contents and significance of the work, the applicant’s role, and the degree of the applicant’s responsibility. Using about 50 words.)</th>
</tr>
</thead>
<tbody>
<tr>
<td></td>
<td></td>
<td></td>
</tr>
</tbody>
</table>

Note: Make a copy of this sheet when an extra sheet is needed.

To ASEAN Architect Monitoring Committee,

I hereby declare that the above descriptions are true to the best of my knowledge.

Signature : ........................................................................................................

Architect Applicant's name : ...........................................................................

Date : ..........................................................................................
